Subpart D—Alternate Compliance Program

§ 8.400 Purpose.

This subpart establishes an alternative to subpart 2.01 of this chapter for certification of United States vessels.

§ 8.410 Applicability.

This subpart applies to:

(a) Recognized classification societies; and

(b) U.S. flag vessels that are certificated for international voyages and are classed by a recognized classification society that is authorized by the Coast Guard to participate in the Alternate Compliance Program (ACP) as specified in this subpart and whose vessel type is authorized to participate in the ACP per the applicable subchapter of 46 CFR chapter I.

§ 8.420 Classification society authorization to participate in the Alternate Compliance Program.

(a) The Commandant may authorize a recognized classification society to participate in the ACP. Authorization will be based on a satisfactory review of:

(1) Applicable class rules; and

(2) Applicable classification society procedures.

(b) Authorization for a recognized classification society to participate in the ACP will require development of a U.S. Supplement to the society's class rules that meets the requirements of § 8.430 of this part, which must be accepted by the Coast Guard.

(c) A recognized classification society will be eligible to receive authorization to participate in the ACP only after it has performed a delegated function related to general vessel safety assessment, as defined in § 8.100, for a two-year period.

(d) If, after this two-year period, the Coast Guard finds that the recognized

A classification society may appeal the decision of the Coast Guard concerning recognition to the Commandant in writing in accordance with 46 CFR 1.03–15(h)(4).

(e) The Coast Guard will enter into a written agreement with a recognized classification society authorized to participate in the ACP. This agreement will define the scope, terms, conditions and requirements of the necessary delegation. Conditions of this agreement are presented in § 8.130.

§ 8.430 U.S. Supplement to class rules.

Prior to receiving authorization to participate in the ACP, a recognized classification society must prepare, and receive Commandant (G-MSE) approval of, a U.S. Supplement to the recognized classification society's class rules. This supplement must include all regulations applicable for issuance of a Certificate of Inspection (COI) which are not, in the opinion of the Commandant, adequately established by either the class rules of that classification society or applicable international regulations.

§ 8.440 Vessel enrollment in the Alternate Compliance Program.

(a) In place of compliance with other applicable provisions of this title, the owner or operator of a vessel subject to plan review and inspection under this subchapter for initial issuance or renewal of a COI may submit the vessel for classification, plan review and inspection by a recognized classification society authorized by the Coast Guard to determine compliance with applicable international treaties and agreements, the classification society's class rules, and the U.S. Supplement prepared by the classification society and accepted by the Coast Guard.
